HEATING & AIR CONDITIONING

# Pay the utility company, or upgrade your air and save!

As the weather heats up, take advantage of hot savings from American Standard Heating & Air Conditioning and all other major brands...

Madison says, "Let my Grand-Pa fix your air conditioner!"

- Reduce high utility bills
- Increase the beauty & value of your home
- Eliminate worries over expensive breakdowns
- 0% interest financing for 12 months with approved credit
- Ten year parts & labor warranty available
- All major credit cards accepted

As a Pearland area resident for 54 years, Randy Weber and his crew have been keeping Pearlanders cool since 1981. Whether you need your A/C serviced or replaced, Weber's Air & Heat can help you weather the hot summer months. It pays to be cool. Call the HELP Line today...
