Visitor's Guide

Located just 20 minutes south of Texas' largest metropolitan area, Pearland was recently recognized in Forbes magazine as one of the fastest growing suburbs in the state and in the nation with a population nearing 90,000. Located "in the middle" of the area's finest attractions, Pearland offers tourists, day visitors, and business travelers a multitude of opportunities just a short drive in any direction. In addition, to a wide-array of opportunities, Pearland is now home to more than 300 hotel rooms and 130 restaurants that will excite even the most refined taste buds.
